

The Sun and the Rain

One Monday morning, the two friends sun and rain got ready to go to the sky. But they both wanted to go!

They got angry at each other!

The sun said, "The people want me!"

The rain said "The plants want me!"

Suddenly, a unicorn popped out of the clouds!

He said, "Why don't you both go?!"

"Good idea!" said sun and rain. "Lets go!"

They both went into the sky and found Mr Rainbow! They were friends for ever and ever again.
